# SERVICE, QUALITY & SAFETY!

Dear customers,

We have been trading in pocket umbrellas, golf umbrellas, stick umbrellas, beach and sun umbrellas, as well as children's umbrellas since 1987. Being a leading supplier in Europe, we have approximately 2 million umbrellas in stock for you. Our umbrellas not only serve as rain protectors, they are also advertising media with large printing areas. They sustainably promote company logos or advertising slogans and are great eye-catchers.

Have fun browsing through our catalogue!

„FOR A PERFECT IMAGE!“

Turn your umbrella into something special!

You have your very own idea about umbrellas? Be creative, individual requirements are no problem for us!

We carry out custom productions with canopies in your preferred colour (Pantone), special handles, and prints on the entire surface inside and outside.

We are happy to provide advice regarding minimum order quantities, finishing options, and delivery times.

Together we will develop tailor-made solutions for your unique umbrellas.

## SILKSCREEN

A procedure in which paint is pushed through a screen with a scraper. A photochemical process lets the screen become non-permeable in certain areas to guarantee the desired effect. When using coloured logos on a dark umbrella it is wise to add a white base coat to ensure brilliant colours. This method can only be done on a flat surface or anything that can be spread out horizontally such as textiles or segments of umbrellas.
